My heart churns within Me... Heb.wd Churns - hä·fak' - overthrow, overturn

This describes upheaval, turmoil

My sympathy is stirred..... Sympathy means compassion.

Heb.wd – **stirred** - kä·mar' means kindled, be black (hot), grow warm and tender, be or grow hot, become hot, become emotionally agitated

In other words – God's heart is in turmoil, agitated
God is a suffering God and He suffers because of His great love for us.
