The golden rule of interpretation is: “When the plain sense of the scripture makes common sense, seek no other sense.” Therefore, take every word at its primary, usual, meaning, unless the facts of the immediate context, studied in the light of related passages and fundamental truths, clearly indicate otherwise.

Thomas Huxley a biologist and evolutionist, known as Darwin's Bulldog said,
“ The reason we have chosen evolution is because of our sexual freedoms we get with this lifestyle.”

2 Peter 3:3-7

1) scoffers are willfully ignorant about Creation: 5 – For this they willingly forget: That by the word of God the heavens were of old and the earth, standing out of the water and in the water

2) scoffers are willfully ignorant of the flood of Noah. 6 – By which the world that then existed perished, being flooded with water.

3) scoffers are willfully ignorant of the coming judgment 7 – But the heavens and the earth which are now preserved by the same word are reserved for fire until the day of judgment and perdition of ungodly men.
