

**Submissive** - **ὑποτάσσω** – to arrange under,

This word was a Greek military term meaning "to arrange [troop divisions] in a military fashion under the command of a leader". In non-military use, it was "a voluntary attitude of giving in, cooperating, assuming responsibility, and carrying a burden".

**Adornment** – Greek wd - **κόσμος** - kosmos - means ordered universe

This is also where we get our English word Cosmetic.

**OKJ - .....“ the ornament of a meek and quiet spirit, which is in the sight of God of great price.”** Meaning that this attitude of a meek and quiet spirit is very valuable to God.

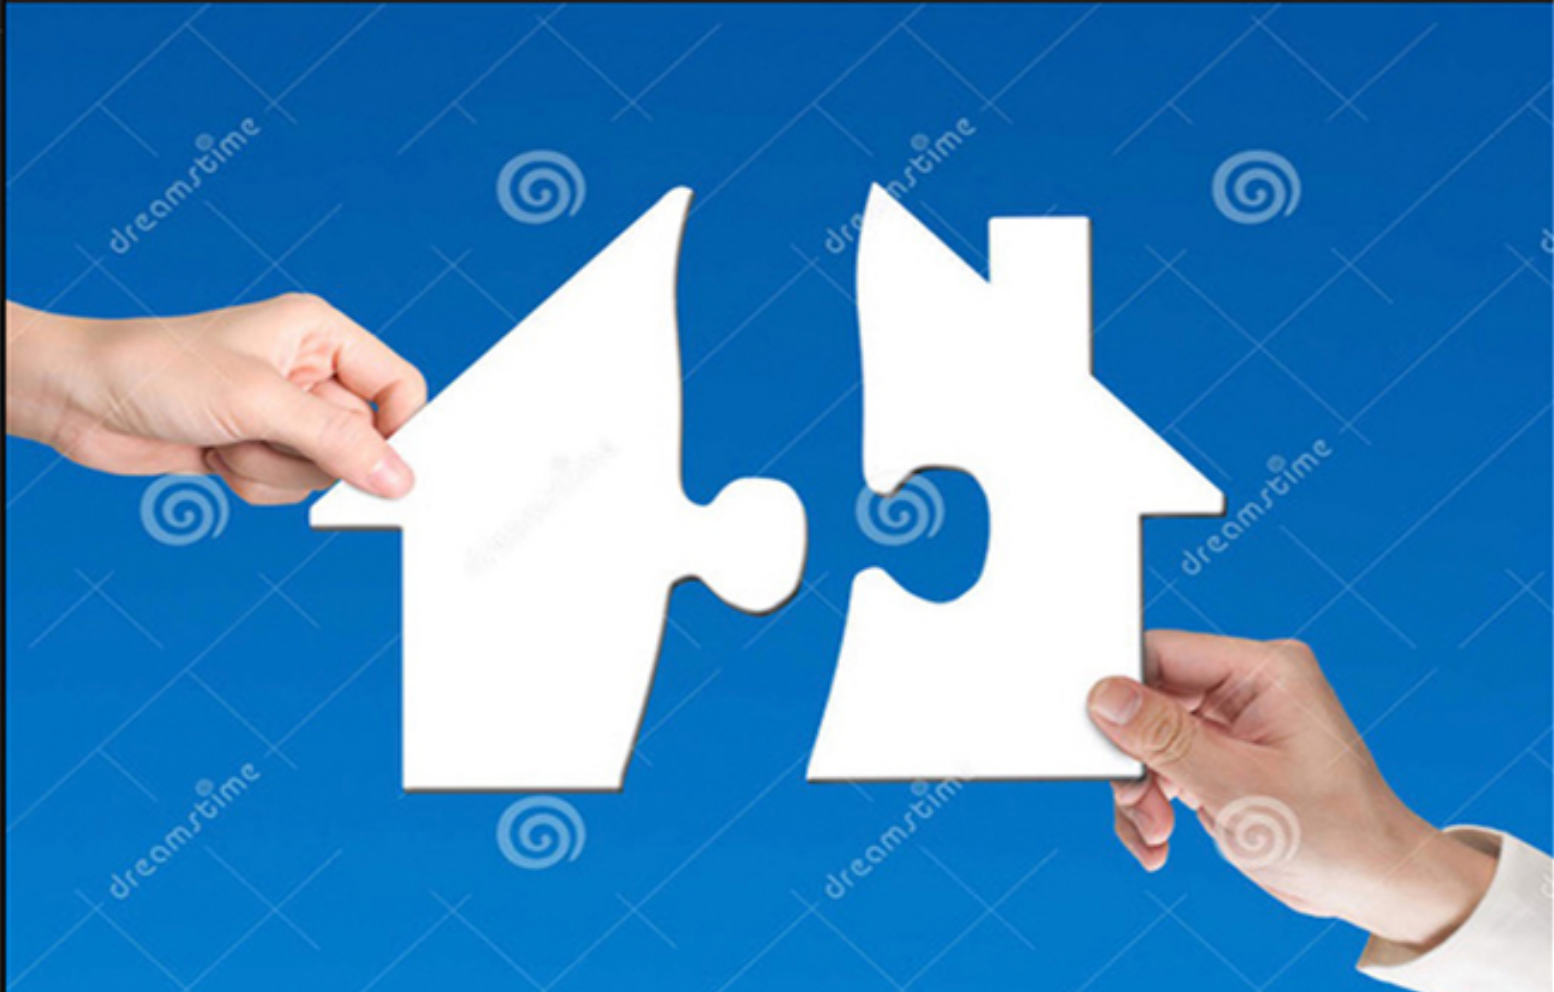

## **Husbands**

- 1) Dwell with your wives with understanding
- 2) Honor your wife
- 3) Know you are fellow heirs with them

God's creation was accomplished through separating and making distinctions in order for His creation to work together in harmony.

God separated the human race into two genders, male and female. They are distinct.

Oneness that God ordains is between male and female.

Marriage is a model – a prophetic picture

Adam is a type or picture of Christ to come. (Rom.5:12-15....**Adam, who is a type of Him who was to come.**)

The word **Type** – Greek wd **tupos** – stamp, resemblance or model for imitation.

Adam is a type of Christ, who is Eve a type of? The church. The bride of Christ.

**Sleep** in Gen.2:21 – is a word both Paul and Jesus use for death for a Christian. (John 11:12-13; 1 Thess.4:14)

Took from his side a rib – Implies a wounding, a shedding of blood

Took and made – is the word **bannah** – means to build

And He brought her to the man – Implies a period of time gone in building this bride for Adam and then presents her to him.

There is a picture here that God paints for us before the fall, in the Creation of Adam and Eve. It is a picture of Christ dying or put to sleep for a period of time, 3 days, Christ's side also pierced with blood poured out to purchase the bride, the church, that will soon be presented to Him.
