Welcome!

We are so glad you have joined us for our study of Joshua. As always, it is our prayer for you to be richly blessed through this study and for you to grow in your knowledge and understanding of our Lord and His Word.

The book of Joshua is the historical account of God leading the Israelites into the Promised Land with Joshua as their leader. As we study Joshua together, you will see the overwhelming theme of God's presence and faithfulness. We worship a God who promises to never leave or forsake us and keeps His promises. Because of Him, we can be strong and courageous as we walk in this world, knowing He is always with us.

This homework book is simply a tool to help you study God's Word. Don't feel limited or bound by the number of lines corresponding to the questions. There is no need to fill the whole space or stop when you run out of space. Keep a notebook on hand if you desire to write more. There are no expectations of how you answer the questions - simply pray and allow the Holy Spirit to lead and guide you in truth. Our prayer is that this book will be a blessing as you grow in your understanding of the Bible.

We are excited to start this study with you as we continue our spiritual growth and desire to walk worthy of the Lord.

... that you may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work, and increasing in the knowledge of God...

- Colossians 1:10
