JESUS

John 14:6

I am the way, the truth, and the life. No one comes to the Father except through Me.

¹In the beginning was the Word, and the Word was with God, and the Word was God. ²He was in the beginning with God. ³All things were made through Him, and without Him nothing was made that was made. ¹⁴And the Word became flesh and dwelt among us.

Tonight's Big Idea

What is Life?

Natural laws, genetic evidence and other data show that God created plants and animals... and you!

Based on what we now know, the idea is undeniably preposterous. We now know having tried and failed over and over for the past seventy-five years is how truly ignorant we are on the subject. It can never happen. Never means never. The truth is non-life evolving into life is a fabricated myth. They're fudging it.

Use of Magic Words – Tells of What, never How.

- The new species **Appeared** on the scene.
- An abundance of various animals **Emerged** during the Cambrian Explosion
- **Arose**
- Less complex creatures **Gave Rise To** more complex creatures over millions of years.
- **Burst onto the scene**
- **Evolved into**
- **Manufactured itself**
- **Was making the transition to**

Why? Because they can't. Biological creatures were designed not random acts of Nature selecting.

Genesis 1:11-12

¹¹Then God said, “Let the earth bring forth grass, the herb that yields seed, and the fruit tree that yields fruit according to its kind, whose seed is in itself, on the earth”: and it was so. ¹²And the earth brought forth grass, the herb that yields seed according to its kind, and the tree that yields fruit, whose seed is in itself according to its kind. And God saw that it was good.

Genesis 3:15

His heel.”
